

Bosworth Road VAS – June 28th – September 2nd Data Report

- Total Vehicles - 68,777 (Heading towards Barlestone Road B582)
- 85% of traffic travelling bellow 45.9mph (58,460 Vehicles)
- 61% of traffic at or below the 40mph speed limit
- Highest Recorded speed 75mph (07.55am on 11/7/21) this speed was recorded 8 times in total and I believe is the fastest speed recorded by the VAS.

Green Cross shows those who travelled bellow the speed limit.

Red Cross shows those who travelled at the 85th percentile or higher.

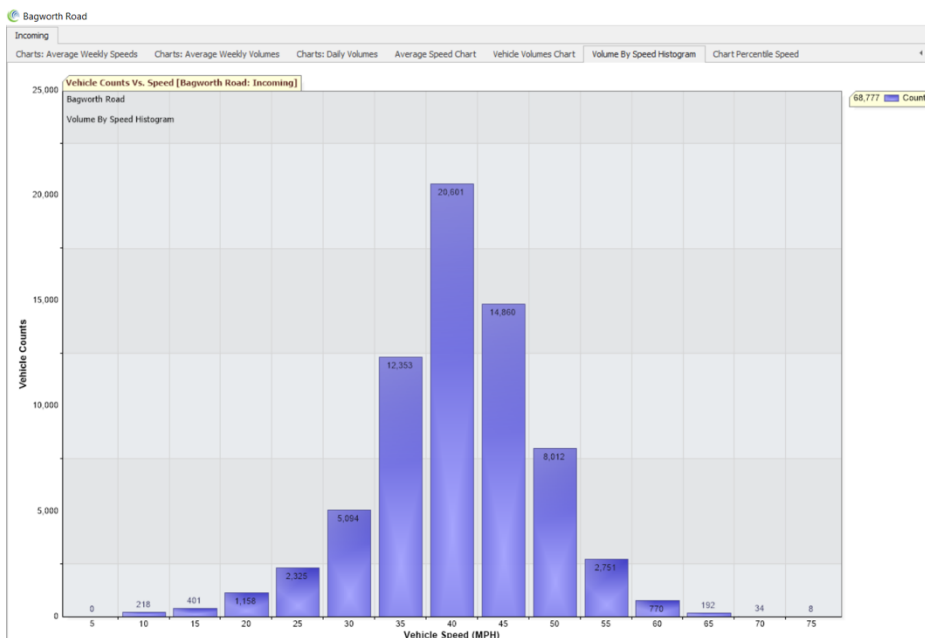

Table shows the total number of vehicles who travelled at each speed band. Eg: 16,860 vehicles travelled at more than 45mph but less than 50mph.
